Dear Sir:

The attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO/SB/08. The references were previously submitted in an Information Disclosure Statement (IDS) submitted on July 14, 2006. However, the Examiner objected to the references due to the absence of authors (“Foundation of Sound Recognition...” and “Applied Mathematics...”) and article (“Hidden Markov Model...”). The missing information is now listed on the attached PTO/SB/08, and the missing article is now attached

The absence of authors and missing article were inadvertent and we respectfully request that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the “References Cited” on any patent to issue therefrom.

No fee is due at this time. However, in the event an actual fee is required or if any additional fee during the prosecution of this application is not paid, the Patent Office is authorized to charge the underpayment to Deposit Account No. 50-2215, under Order No. Y0647.0161.

Dated: September 24, 2008

Respectfully submitted,
